

Foot Locker General Terms & Conditions of Purchase of Goods and Services 2020.

Scope

These General Terms and Conditions of Purchase ("**GTCP**") govern the pre-contractual and contractual relationship between Foot Locker Europe B.V. including its subsidiaries ("**FLE**") and its supplier ("**Vendor**") and the provisions hereof apply in full unless agreed otherwise in writing. If a conflict occurs between the English language version and any translated version hereof, the English version shall govern.

1. Applicable conditions

1.1 The relevant purchase order, letter of instruction or any other instruction issued by FLE ("**Order**"), sets forth the terms under which FLE purchases goods ("**Goods**") and/or services ("**Services**") (together referred to as "**Supply**") from Vendor. Orders must be signed by a FLE authorized representative to be binding. These GTCP are applicable to Orders issued by FLE and together form a binding contract (the "**Agreement**").

1.2 An Agreement is also formed when Vendor implicitly accepts FLE's Order by initiating delivery of the Goods and/or commencement of performance of any Services of that Order.

1.3 The Order or these GTCP can be varied only in writing signed by a FLE authorized representative. Course of performance, course of dealing and usage of trade shall not be applied to modify these GTCP. Any other one-sided statement or writing from Vendor shall not alter or otherwise affect the Agreement.

1.4 FLE is not bound by and hereby expressly rejects Vendor's general conditions of sale/service and any additional or different terms or provisions that may appear on any proposal, quotation, price list, acknowledgment, invoice, packing slip or the like used by Vendor.

1.5 Any applicable taxes and import duties shall be included and specified in Vendor's offer, proposal, quotation or tender documents (the "**Offer**").

1.6 All rights of Vendor hereunder are cumulative and in addition to those that FLE has by law.

2. Conclusion of the Agreement

2.1 Where a Vendor is required to return a signed Order, Vendor will have two (2) weeks after receipt of the Order from FLE within which to sign and return the Order. If Vendor fails to accept the Order by written confirmation within that two (2) weeks period, FLE reserves the right to revoke the Order. Where Vendor's written confirmation varies from the original Order, FLE shall only be bound thereby if it agrees to such variation in writing.

2.2 FLE shall not be obliged to return any documentation or samples received in connection with an Offer made to FLE. All costs incurred by Vendor in preparing and submitting any Offer or acceptance of FLE's Order, shall be for the account of Vendor.

2.3 If Vendor makes a start on the performance of the Supply without having received an Order from FLE, Vendor does so at its own expense and risk.

3. Contract Variations

3.1 FLE shall be entitled to amend the contents and scope of the Supply. If Vendor is of the opinion that the amendment has an effect on the agreed price or delivery period, FLE shall be informed of this immediately in writing ultimately within ten (10) days from the day such amendment was communicated. In the event such amendment entails additional work, Vendor shall within that period issue:

(a) a written quotation with regards to the price and period involved; and

(b) a document setting out the impact (if any) this additional work will have on the Supply to be performed by Vendor.

FLE may cancel the amendment at will, without any compensation being due as a result thereof, in which case the initial contents and scope of the Supply shall remain applicable.

3.2 Amendment of the price or delivery period shall be effected on the basis of the unit prices and tariffs set out in an Order, or on the basis of reasonableness and the standards and assumptions on which the Agreement is based.

3.3 Vendor shall not perform additional work before FLE has issued written instructions to that effect. Additional work Vendor should have or could have anticipated, or which is considered to be the result of a shortcoming on Vendor's part, shall not be considered additional work and the same shall not be payable by FLE.
